---

The ICMMES-2010 proceedings will be published as a special issue of [Computers and Mathematics with Applications](#) (CAMWA). The deadline for submitting paper to the ICMME-2010 proceedings will be announced later.

**Each registered attendee is only allowed to submit one paper to the ICMMES-2010 proceedings**. The papers for the ICMMES proceedings should be submitted through the Elsevier Electronic System (EES). The EES will be used to manage the journal's submission, review and decision process entirely online. Please refer to the links below for information on how to log into and use EES for tracking the submission of the special issue manuscripts.

Note that this information is also posted on EES and can be reached by clicking on "Contact Us".

Manuscripts to be submitted to CAMWA ICMMES Special Issue (SI) should be prepared with LaTeX by using "elsarticle.cls", the new template from Elsevier. The latex packages can be downloaded from the following website:

<http://www.elsevier.com/wps/find/authorsview.authors/elsarticle>

Manuscripts prepared with the older template "elsart.cls" will also be accepted.

A Guide for Authors from Editorial Office of CAMWA can be found in the following link:

In your submission letter, please include 3 to 5 potential referees who have no conflict of interest and who are not members of ICMMES Scientific Committee and the editors of the ICMMES proceedings.

We are looking forward to receiving your contributions.

Sincerely yours,

Editors of ICMMES-2010 Proceedings
